USD #389 Eureka  
Special Education  
Search to Find Children in Need of Special Education

USD 389 is seeking to identify every student from birth through age 21 who lives within the boundaries of UDS 389 who has developmental delays or may be in need of special education. If you have a child or know of a child who you think has developmental delays or special needs, contact Angie Lowe, School Psychologist and Special Education Coordinator at 216 N. Main, Eureka, KS 67045 or call (620) 583-5588.

Areas of special education include: early childhood disability (birth through age two – infant/toddler), autism, deaf-blindness, developmental delay, emotional disturbance, gifted, hearing impairments including deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairment, sensory impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, and visual impairments including blindness.

Parents are advised that all special education services are designed to offer the utmost in educational opportunities for each qualifying student, as well as to provide assistance and support in the areas of physical, mental, emotional, and social growth. State and Federal laws are followed in providing each student with a free appropriate public education in the least restrictive environment.
